

Christ Kengeri Campus is a constituent of Christ deemed-to-be University which is referred to as the School of Engineering across all Christ campuses. Situated about 25 kilometers away from the central Bangalore campus, the Kengeri campus of Christ has two schools under it, namely School of Engineering & Technology and School of Architecture that offers UG, PG and doctoral programmes, such as BTech, BArch, MTech and PhD. Accredited with Grade 'A' by NAAC, the main campus of Christ University is also located in Bangalore (Hosur) along with Bannerghatta and Kengeri campus.

Christ University Kengeri Campus Placements

In order to facilitate the students with promising career avenues and assist them in career planning and counselling, Christ (deemed-to-be University) has a dedicated placement cell that functions centrally for all the campuses based in Bangalore. The objective of this cell is focused on the professional development of its students by training them for employability skills, such as Resume Building, Group Discussion and Interview hacks.

A few highlights from Christ Kengeri Campus placements 2020 (for BTech) as released by the deemed-to-be University campus are as follows:

- The highest package offered was Rs 36 LPA for BTech CSE. The highest package for BTech in 2020 session saw a 38.4% increase compared to the highest package offered during 2019 placements session
- Out of the total offers, 61% offers were made to BTech CSE students
- The average package offered to the 2020 batch was Rs 4 LPA
- 41% of the total jobs offered (167 offers) were made in the IT sector/domain followed by 37% of the offers (151) in Core domain
- A total of 405 offers were made to BTech students
- Some of the top recruiting companies include Mercedes-Benz, Standard Chartered, Epsilon, Decathlon, Tech Mahindra and HP, among others (data sourced from Shiksha reviews)

FOR Good placement practicing DSA questions will help to crack competitive exams

Dsa cracking can be done through practicing <http://leetcode.com> , <http://geeksforgeeks.org>, hef.com/college-program

For cracking interviews communication , presentation and soft skills are also very important

In 2009, CHRIST (Deemed to be University) opened its Kengeri campus, which is spread over 90 acres at [Kengeri](#) on the Bangalore-Mysore Expressway [NH 275](#) and houses the School of Engineering and Technology; the PU Residential College; the School of Business and Management, which offers Master of Business Administration (MBA) and Bachelor of Business Administration (BBA) programs; the School of Social Sciences offering Bachelor of Science in psychology with Honours; as well as the School of Architecture, which was started officially from 2017. ^[14]

The Placement Cell at the university encourages students to explore different employment areas and organises career counseling for them. It works with the objective of taking care of the professional development of the students by training them. The training is provided to help them improve their skills such as resume writing, interview skills, group discussions, reasoning, and aptitude.

Christ University Kengeri Infrastructure and Facilities

Situated in lush green surroundings, the campus of Christ University is spread across 78.5 acres of land and has a state-of-the-art infrastructure. The Kengeri campus is located on Mysore Road and has a fine ambience far from busy city life. Here are the basic amenities available for the students:

- **Library:** The Library at the campus is well-stocked with a variety of books and journals that support the curriculum of the college. The students can find daily newspapers, academic articles, and research papers at the library.
- **Medical Assistance:** The students looking to get a medical consultation can reach out to the health center operated by the medical officer. The emergency patients are taken to a nearby hospital with the help of an ambulance that is available at the campus 24/7.
- **Auditorium and Seminar Halls:** An air-conditioned auditorium is situated on the campus with proper lighting arrangements and green rooms. Various convocations, guest lectures, presentations, and training programs take place in the seminar hall of the college. The hall is well-furnished with all the required equipment.
- **Cafeteria:** Numerous canteens are present on the Kengeri campus that provides hygienic food including all kinds of meals like lunch, breakfast, snacks, and dinner. The canteens are easily accessible and offer food at affordable prices.
- **Hostel:** Accommodation facilities are available for male and female students with all the requirements. Twin and triple-sharing rooms are there along with washing machines and dryers. The hostels run on solar power.
- **Sports Facilities:** Proper sports facilities are available for the students so they can participate in athletic activities. The campus has basketball courts, football grounds, and an athletic track.
- **Transportation:** A transportation facility is available for the students and staff members. This makes it easier for them to travel and it is available from various points in Bangalore.
- **Other Facilities:** Stationery Shops, Recreation Centres, Music Room, Amphitheatre, Gymnasium, Bandstands for outdoor classes, NSS, Athletics, etc are also available at the college.
